

# Price list of products and services for entrepreneurs and legal entities

## Part 2

We are continuously developing our services. Thus, for better orientation, our price list is split into two parts. The first part includes the currently offered products and services, while the other mainly consists of obsolete products and services. Both parts together form the price list of products and services for entrepreneurs and legal entities (the price list). You may be using services from both parts of the price list and thus we recommend that you always use the price list along with the relevant agreement, the general business conditions of Raiffeisenbank a.s., the product conditions and technical conditions, if applicable.

The Price List of Products and Services for Entrepreneurs and Legal Entities Part 2 replaces the Price List for Companies and Entrepreneurs (Price list) as well as the Price List of Equa Bank Products and Services for Businesses, which replaced the Price list as of 14 November 2022. This price list applies to clients who are not Consumers and have concluded an agreement with Equa bank a.s. or the Bank that identifies the Price List for Companies and Entrepreneurs, or generally the "Price list" or "Price lists", as its integral part. References to the "Price List for Companies and Entrepreneurs", "Price list" or "Price lists" contained in the relevant agreements are now considered references to this price list.

This price list is effective as of 1. 4. 2024

The credit turnover shall be understood to be the sum of all amounts received on the client's account and amounts deposited into the account in cash, the credit turnover shall not include incoming payments from either current or savings accounts of the same holder, transfers from term deposits to the account, transfers between currency elements of the account, credited interest or reverse card transactions. The credit turnover will include payment transactions performed between 00:01 of the last calendar day of the previous calendar month until 24:00 of the day that precedes the last calendar day of the calendar month for which compliance with conditions for the application of benefits is assessed. Facts that were taken into consideration when assessing compliance with conditions for applying benefits for one account as a part of a price program cannot be taken into consideration for another account. The credit turnover is always assessed on the account for which the relevant price program was agreed. For the purposes of stipulating the amount of fees for cash withdrawals in CZK by a debit card from an ATM of another bank in the Czech Republic, compliance with the aforementioned conditions is assessed for the previous calendar month.</p>
